FE3R N Series

Three-wheel Rear Drive Forklift

Capacity: 800kg
1000kg
1200kg

Maximum lifting Height: 3000mm

Overall Width: 880mm

24Volt Zapi Controller
48Volt Curtis Controller

Variable wheelbase design: Mast lifting function realised through the movement of front axle

We are a customer centric forklift company and pride ourselves in delivering High performance material handling solutions to companies in a very cost-effective manner.

Our solutions are backed by more than 17 years’ experience & insights of our team and associates. This enables us to provide equipment that has been tailored to South African operating environment.

Our machines are, reliable, efficient, safe, environmentally friendly and cost effective.

We have a very strong “Can Do” culture in our team to serve customers which deservedly backs our performance claim of “You Drive, We strive”
